LEVEL 2 ASSESSMENT INFORMATION

To complete the requirements to earn the CrossFit Level 2 Trainer (CF-L2) credential, the post-course online assessment must also be successfully completed.

Participants who complete the two-day [CrossFit Level 2 Certificate Course](#) are automatically enrolled in the online assessment within 48 hours of course completion. The Level 2 assessment can be accessed [here](#).

Please note: Participants are enrolled in the Level 2 assessment in the language requested during Level 2 course registration. Participants who require a language change should email seminars@crossfit.com immediately.

The assessment is taken on a personal electronic device, and an internet connection is required. Access to the assessment portal is available for a period of **30 days**. Following the 30-day period, access will expire.

There is no limit to the number of attempts that can be made to complete the assessment. However, **the assessment must be completed within the 30-day period**.

Helpful tips pertaining to the online assessment are listed below:

- The assessment is composed of four sections of 10 items each. Participants must answer all 10 items correctly before moving on to the next section.
- Participants must complete an ENTIRE SECTION of the assessment before progress will be saved.
- If errors are experienced while trying to log in or complete the assessment, confirm the correct login information is being used to sign in.
 - Access is granted to the CrossFit ID (email account) associated with Level 2 registration and attendance.

Further questions or requests for technical assistance should be directed to seminars@crossfit.com.
